THANK YOU for your interest in the **Catnip and Carrots Animal Bunch!** Volunteers play a vital role in our organization and without your support, we would not be able to assist the animals who so desperately need your help. A little love and compassion go a long way toward making a homeless pet's life more enjoyable and rewarding.

Please complete the Volunteer Application below. You must be 18 years of age to participate in our volunteer program. If you are between 14-18 years old, we would be happy to have you as a part of C&C, but we do require a parent be with you at all times. (PetSmart policy)

We have a wide variety of positions that may be of interest to you. Please select from the following list or feel free to add other areas you may be of help. Upon receipt of your application, the Adoption Center Manager will notify you of the date of our next Volunteer Orientation. Specifics about each volunteer activity will be discussed further in the orientation meeting. Depending on the activities you choose, additional training may be required. **Please print your responses clearly.**

Thank you again for your interest in Catnip and Carrots Animal Bunch!
